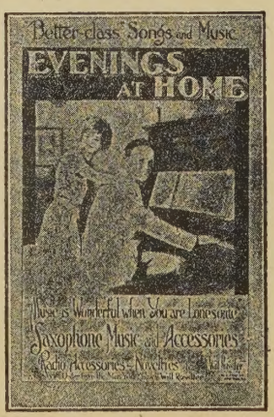
"Evenings At Home"



"Evenings At Home" is the best illustrated sheet music catalog of Popular Music ever published. It contains enough of the words and music of the choruses of songs, miniature reproduction of the titlepage, and a little description of each number; also the words of one verse and chorus of each song, so you can tell after going over the pages carefully just what you want. It also contains a list of novelty Phonograph Records, Saxophone Music and Saxophone accessories. Also many other things of interest to the lovers of Popular Music. "Evenings At Home" is in itself a source of entertainment—it's different, and will be more than welcome by all who like to keep posted on what's doing in the Music and Radio World. In "Evenings At Home" you will find "just what you're looking for" and we feel you will become one of our best "Boosters", and know you'll tell your friends about it. "Evenings At Home" is free —but the postage is two cents, which you can enclose in your letter of request. Send today.
